Dear Families

Catholic schools are a faith community united through the common belief that Christ is at the centre of what we do, believe and teach. Each one of us belongs to the community. This belonging was evident last Saturday when we gathered to celebrate the life of Edward Sharp. Through this time of sadness and sorrow, Eddy's family were able to draw strength from all those who united in support. The family has expressed their sincere gratitude at the support from the St Kieran's community.

Each year a school sets goals and targets as part of the annual School Improvement Plan (SIP). These goals are shared with the school community in detail at the first Parents and Friends (P&F) Meeting of the year. The goals are part of a three year plan of which we are now in the second year. There are three broad goals covering the three aspects of school life. These are:

1. **Mission:** To deepen students' connection between Jesus' teachings and their discipleship
2. **Learning and Teaching:** To increase student ownership of learning in order to improve outcomes.
3. **Pastoral Care:** To embed a culture of wellbeing to further develop social and emotional learning skills

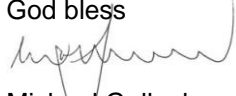

Details of these goals will be shared at the P&F Meeting on Monday 5 March at 7pm.

Aside from these goals, there are other aspects of school life which I intend to review through consultation with the school community. These include the areas of behaviour management, homework and the riding of bicycles to school. Some changes have already begun but I can assure you that you will be able to have your say during the year.

Finally, there are a couple of reminders that are timely for the beginning of the year. The first is with uniform. The parent handbook lists the uniform that students should be wearing. This extends to jewellery, hair and accessories. We ask you to ensure that your child is wearing the correct uniform. The second concerns car park pick up. When picking up your child/ren, **please do not get out of your car**. This holds up the flow of traffic which needs to keep

moving. Children should be climbing into the car with their bag or placing the bag on the front seat. **DO NOT let your child/ren put their bag into the back of the car through the automatic opening rear window.** Your cooperation will ensure the safety of our children. Thank you for your support.

God bless

Michael Gallagher
Principal

School Fees

Invoices for 2018 were emailed to all families at the end of January from the Catholic Schools Office. This invoice shows the total due for the year and the amounts and dates payment is required. Please adhere to your payment schedule as requested on your family registration form.

- If you are paying in the standard three instalments first payment is due by 23 February,
- If you are paying monthly, fees are due by 15th of each month.
- For other instalment types please check your invoice.

If you wish to change your time payments or discuss your fees please contact Julia.postle@dbb.catholic.edu.au Statements will be emailed to all families at the beginning of each month showing amounts owing. Unpaid fees will be referred to the Catholic Schools Office for collection unless other arrangements have been made.

Medication Reminder and Expiry

If your child requires medication at school please ensure you have completed the correct forms and that the medication you supply has been approved by a doctor and that all medication has sufficient expiry dates.

No medication will ever be given without written approval from a doctor, this includes Panadol, Nurofen etc.

Dear Parents,

The best gift any parent can give a child is the love of books and the joy and benefits of independent reading for fun. Children who read at home, or are read to, have a head start on reading success in school.

Our school is again participating in Scholastic Book Club this year. Up to twice a term, during the school year, we will send home a Club catalogue with a different selection of books offered for all ages.

You'll find award-winning books and bestsellers, as well as old and new favourites. We recommend them because the books span a wide range of children's reading levels and interests and because they are inexpensive (some books cost as little as \$2).

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school safe and sound and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or using the LOOP app, which can be downloaded from the App Store or Google Play.

PLEASE NOTE THAT CASH ORDERS WILL NO LONGER BE ACCEPTED.

Each order helps earn free books and teaching materials for our school, however there is never any obligation to order.

Issue 1 orders must be placed by Friday 16 February.

Religious Education

Parish Sacramental Program 2017- 2018

The Parish Sacramental Program recommences for Year 3 children with the **Sacrament of Reconciliation**. Parents of children who wish to continue their Sacraments of Initiation are requested to attend the Parent Catechesis Session for Reconciliation on Monday 12 Feb at 9.30am OR Tuesday 13 February at 7.00pm in St Kieran's Church.

Advance notice for our Year 2 children. - The **Sacrament of Confirmation** will be celebrated by Bishop Peter A Comensoli on Saturday 11 August in St Kieran's church.

Enrolment for the 2018 – 2019 Sacramental group will be on Tuesday the 5 June from 9 -10am and again from 6 -7pm in the St Kieran's Parrish Centre

For further information please contact Janette on 0408 866 521 or at sacraments@northharbourcatholic.org.au .

Family Prayer Packs

Prayer is a way of communicating and strengthening our relationship with God. Prayer can take many forms and one way that many people pray is as a family. To assist you in your family prayer life, or get you started, your child will soon be bringing home a Family Prayer Pack. Each class will have one prayer pack which will be shared with the children over the term. The pack has user friendly instructions and is tailored to your child's age. There is also a prayer cube for you to make and keep for your family.

Families are invited to use the pack for one or two days then return it to school for another family to use. You are encouraged to add your family intentions to the book provided so other families can pray for you.

Teaching and Learning

Students have all commenced their studies in Religious Education. All classes will study a Lent –Easter theme which is age appropriate. However for the next few weeks students will involve themselves in the following areas of study.

- Kindergarten: Belonging to God's Family
- Year One: Jesus our Friend
- Year Two: Jesus shows me how to Love
- Year Three: Reconciliation
- Year Four Sacraments
- Stage Three: Leading as a disciple of Jesus.

Yours in Religious Education,
Mrs Kerrie Wetzlar, Religious Education Coordinator

Parent Education in Literacy 2018 - For Kindergarten Parents

Tuesday 20 February, 6.30 - 8.30 pm - (This is additional to the Kinder Information evening on 13.2.18)

This session aims to give parents strategies to help their child become a confident reader in their early school years.

Also, we value parent help in our school and know that this works best when we work together with shared understanding.

For this reason, **if you wish to assist as a parent helper with reading or writing in the Kinder classes, you need to have attended this session.** However, the course needs to be completed only once, so there is no need to repeat the course if previously attended when an older sibling was in Kindergarten.

The 2 main components of the course are:

- An introduction to how children learn to read – with a St Kieran's perspective
- How to help with reading at home and at school

The Kinder teachers will join me to also offer input from the point of view of the classroom teacher.

If you are interested, please complete the registration form towards the end of this newsletter and return to the school office by **Tuesday 13 February**.

Regards,
Mary Brown, Literacy Coordinator

Learning Support

Welcome back to the new school year!

As Learning Support teacher, I'd like to share with you some insight into how our program works at St Kieran's. Please read through the following carefully as it will clarify some aspects of the type of support your child may

require. Should your child require some extra intervention (either individually or as part of a small group) you will be informed via a letter during Week 6.

Interventions may either be in the form of support that extends the learner or support that enables the learner to better access learning at his/her level.

Should you have any queries regarding Learning Support please feel free to contact me at school.
Marisa Bombardieri

Our Learning Support Program is a multi-layered program designed to meet the needs of specific students as well as providing collaborative support in terms of the teaching and learning class programs.

Children who are validated for a learning disability – receive regular, ongoing 1:1 support from the Learning Support Teacher. Children, who are identified by their teacher as requiring support or extension in their learning, can be assisted in a variety of ways. They could receive 1:1 or small group support from the Teacher's Aide/Learning Support Assistant (Kerrie Powell Term One 2018), or the Learning Support Teacher. At St Kieran's the class teachers spend the first few weeks of Term 1 assessing their students and identifying learning needs. In Week 5 of the term, Grade Meetings are held with the Principal and Learning Support teacher. At these meetings the class teachers share their assessments and from these meetings interventions are planned to provide the relevant support. This intervention can last from one term to more if required. The Learning Plans teachers write usually support the children in areas of Literacy or Numeracy.

At times, however, children will require specific support in areas such as **Occupational Therapy** or **Speech Therapy**. These areas are quite specialised and have, in recent years become a more regular avenue of therapy for primary aged school children. Teachers, after consultation with the Learning Support teacher, may suggest that (Speech or Occupational) therapy could be beneficial for your child. If this is the case, then an initial assessment by the therapist would ascertain whether therapy would be effective. Parents often aren't familiar with the assistance Speech or Occupational therapy can offer and so the following is an outline of exactly what these specialised areas are about.

Many children who are referred to **Occupational Therapy** have difficulties with handwriting. It is the Occupational Therapist's task to assess the child's handwriting and identify the underlying cause of the difficulties. The therapist will need to assess the level of functioning in the following areas:

- **Visual Motor Integration** (neural function transferring what is seen into motor expression)
- **Fine Motor Skills** (hand dominance, bilateral and motor co-ordination, in-hand manipulation, functional pencil grip, muscle tone, hand, arm and shoulder strength).
- **Visual Perception** (discrimination between numbers, letters and words that are similar; spacing between letters; placing letters on the writing line and using margins correctly; identifying which letters have been formed completely; letter and number reversal).
- **Cognition** (memory; language comprehension; specific learning difficulties e.g. problem solving and reasoning).
- **Possible sensory processing difficulties** (..that interfere with posture, attention, tactile senses)

These may all impact on handwriting so it is important to determine and diagnose the underlying cause of the handwriting problem. There are a number of activities that a child can do to help with handwriting difficulties. An Occupational Therapist will usually provide a program of activities to be done daily alongside the school handwriting program that focuses mainly on letter formation and legibility. These activities tend to be incorporated into the child's daily routine. Most children improve with the correct intervention and with maturity. Some issues however, tend to persist into adolescence and could continue into adulthood if the right intervention is not given.

We do not currently have any Occupational Therapists working from our school, although if any parents needing the services of an OT aren't sure who to contact, they are welcome to contact the school.

- **Speech Therapy** is the treatment for most children with speech and/or language disorders. A speech disorder refers to a problem with the actual production of sounds, whereas a language disorder refers to a difficulty understanding or putting words together to communicate ideas.
- Speech disorders include:
- **Articulation disorders:** difficulties producing sounds in syllables or saying words incorrectly to the point that listeners can't understand what's being said.
- **Fluency disorders:** problems such as stuttering, in which the flow of speech is interrupted by abnormal stoppages, repetitions (st-st-stuttering), or prolonging sounds and syllables (sssssstuttering).
- **Resonance or voice disorders:** problems with the pitch, volume, or quality of the voice that distract listeners from what's being said. These types of disorders may also cause pain or discomfort for a child when speaking.
- Language disorders can be either receptive or expressive:
- **Receptive disorders:** difficulties understanding or processing language.
- **Expressive disorders:** difficulty putting words together, limited vocabulary, or inability to use language in a socially appropriate way.

- **Literacy Development Delays:** Speech Therapists also provide intervention for students who are in need of support to develop skills in Literacy. These are students who require targeted intervention that supports the differentiation that occurs in the regular classroom setting. Speech Therapists are able to identify the issue and plan a specialised program of intervention.

Currently, we have one Speech Therapist who works with identified children at school, during school times. The Speech Therapist also sees children out of school hours. It is important to note that both Occupational Therapists *and* Speech Therapists are specialist practitioners and are not part of the Diocesan Catholic School system. The specialist working with students at St Kieran's is a private practitioner who work under an independent business registration and is able to use the school premises in certain circumstances. **It is neither an expectation nor custom and practice that children automatically receive Speech Therapy during school hours.** This is because obviously in order to do this the child would miss out on valuable class time. As there are **some** exceptional cases (and only limited places) *there is a process around identifying and prioritising who receives Speech Therapy at school.*

A good plan of action is...

- Firstly, parents need to discuss the possibility of Speech Therapy with the class teacher, or Learning Support Teacher in order to identify whether a child would benefit from intervention.
- If parents decide to pursue this, then the Speech Therapist will always do an initial test and report to ascertain the child's needs.
- Parents can then decide whether or not to proceed with Speech Therapy. If they would like their child to attend Speech Therapy at school (with Rebecca Clarke) they must make an appointment to see the Learning Support Teacher. At this meeting the Speech Therapist's report will be discussed. This way, if it is a high needs case, or if there are special circumstances – we (the school) are able to prioritise availability. Parents are not to make private arrangements with the Speech Therapist to have sessions held during school hours. It goes without saying that private arrangements for Speech Therapy outside of school hours is something parents may organise freely although it is still beneficial for the school to know that this is occurring. This is because reports from the Speech Therapist will always contain identified concerns and strategies for teaching and learning which may be incorporated into the classroom setting.

St Kieran's Car Park Guidelines

Please ensure that you share these with any friends/family that may drop off or pick up your children.

C – Can you please ensure that you drive right down to the very **end** of the wall where we drop off/pick up the children? Even if there is no one behind you, please go to the very end to ensure that we maximize this space. Please **indicate** which **direction** you then intend to depart the car park from by indicating Right to King St and Left to Condamine St.

A - **Accept that anyone who parks** in the Parish Car Park at pick up time during 'drive through' should wait until all cars have cleared from the queue. Letting people out of the car spaces slows down the queue considerably. We ask you to follow these guidelines to ensure that we can clear cars off King St as quickly as possible.

R - **Raise** your **name signs** so that the teachers can see your name clearly. This then enables them to call the children to the pick-up line quicker. Teachers cannot identify parents through tinted windscreens. Teachers cannot read handwritten signs at a distance. The office will organise a new sign if required.

P- Please always **stay** in your car during drop off and pick up times. If your child/children are not able to leave you in a 'kiss and drop' situation, please walk them in.

A – Avoid the rush! Remember that you can pick up your children up to 3.10pm. Take some extra time and you'll have a smoother pick up.

Are you driving down to end of the wall – where the stop sign is?

R- **Respect** all other drivers at all times and make sure that we aren't parking over our **neighbour's** driveways in Gordon and King St. It is best practice for the safety of all children not to pull into driveways in Gordon St to turn around. Please drive to the top of the cul-de-sac to turn around.

K – Know that doing these very simple steps will help make it work more efficiently.

Band News

Welcome to all Band members and parents, both seasoned and new. It's going to be a great year for the Band program.

Welcome back to all Senior Band members. We have had two great rehearsals already. Students have been given four pieces to practice, and are really excited to perform.

Welcome to Junior Band members. We have had our first band rehearsal and had lots of fun learning about being in a band and playing together already. Please ensure you have the 'Tradition of Excellence' book for your instrument to take to your teacher.

If there is anyone still interested in joining Junior Band, you're never too late to join, so please contact the office and they can get in touch with Gayle (our Band emailer/coordinator) and myself to help you start your musical journey.

I am very excited for what's in store this year.

Miss Hodges, Band Conductor

PARENT NEWS

From the P&F

We hope everyone is settling into the new school year! The routine can certainly be a bit of a shock to the system after the long summer holidays, or if your first child is starting school this year. Please don't hesitate to contact your Class Parents or the P&F representatives if there's anything you're unsure about – we're all here to make school life as easy and fun as possible!

With that in mind, we hope to see many of you – especially all of our lovely new families in both Kindy and the older grades – at our **Welcome Drinks evening at 7:30pm on Saturday 10 March at the Wakehurst Golf Club**. This is a fun, casual social event – no fundraising involved – and our chance to welcome everyone to the St Kieran's community for 2018. Jump onto the Qkr App to book your tickets now, and get your babysitters booked in! We look forward to sharing a few drinks and laughs with you all on what promises to be a fun and relaxed night.

Class Parents – many thanks for popping your hands up to guide communication and events with your grade this year. A reminder for any Class Parents who are available, this term's meeting with our Principal, Michael Gallagher, will be held straight after morning assembly this coming Monday 12 February in the staff room. Please let us know if there are any items you'd like included on the agenda.

Dates for your diary

- **Class Parent meeting – Monday 12 February**, 8:55am in the staff room
- **P&F meeting - Monday 5 March at 7pm** in the school library.
Come along and say hi, we'd love to see as many faces as possible and we promise a welcoming and short meeting (with some choccies to sweeten the deal!). Learn about the school's plans for the year and hear progress on the exciting new Stage 3 classroom space and structure.
- **Welcome Drinks – Saturday 10 March, 7:30pm** at Wakehurst Golf Club. Book your tickets on the Qkr app now!

Have a great weekend everyone,

Cheers from your P&F Committee

Canteen: Canteen **Menu** [here](#) .

Shrove Tuesday is on Tuesday 13 February. Pancakes will be \$1.00 each with a limit of 3 per child. These are the large size Golden pancakes. They will be offered with either a drizzle of maple syrup, or a spread of strawberry jam, or just on their own (plain). Thanks to all our helpers.

Thank you to those who have offered up their time to volunteer in the school canteen, it is greatly appreciated. The roster is looking really good, although we do have a few shifts free on a Wednesday (week 9 - 1 volunteer required and week 10 - 2 volunteers per shift), so if you like to help out once a term please let text me 0410 629 135 or email me @ joannemesbitt@gmail.com. It would be great if you could find a buddy to join you, or if you would like to meet other parents just contact me. We also have a one single day free in Term 1, week 11, Wednesday 11th April 2018.

The dates we need help with are highlighted in red. Please find our most recent version of the 2018 Canteen Roster [here](#) .

Looking forward to meeting all our new volunteers, and welcoming back our regulars. A special thanks to our Grandparents who are joining our team this year. Full on the job training will be provided.

Cancer Council NSW launches interactive Healthy Lunch Box website for families

The task of packing healthy school lunch your kids will love is now easier with Cancer Council NSW's new Healthy Lunch Box website (healthylunchbox.com.au). We know that 93% of children don't eat enough vegetables and 22% are overweight.

The website includes recipes and tips on how to include more fruit and veg in the family's diet and is complete with an interactive lunch box builder to involve the kids, at home, or on the move with a smartphone or tablet.

The website has been launched as part of Cancer Council NSW's Eat It To Beat It program which runs free sessions and workshops for parents of primary aged school children, helping them to understand why fruit and vegetables are so important. Visit healthylunchbox.com.au to pack a quick and healthy lunch box today!
