Dear Families

It doesn't take long to get back in to the swing of things after the holidays! Much is happening this week behind the scenes including musical rehearsals, the Winter Sleep Out, a visit from the Director of Schools and the gathering of the School Advisory Council on Tuesday night. The highlight of the week would have to be of course the Grandparents Liturgy and Morning Tea on Monday. The turnout was fantastic and feedback was very appreciative from many of the grandparents. Thank you to the Year 2 teachers for their organisation of the beautiful liturgy and to the Year 1 class parents for coordinating the morning tea.

There are a couple of aspects of school that concern me at the moment and I ask for your assistance in addressing these. The first I wrote about last week, and concerns the carpark in the morning and afternoon. The second area concerns the appropriate use of social media, namely Facebook, as a forum for voicing school or personal issues.

My concern with the carpark is ultimately the safety of our children. Simple guidelines are not being followed by a very small amount of parents. My main fear is a child being pinned between two cars when standing at the boot of the car retrieving or placing their school bag. I am also concerned about children using the passenger door on the driver's side of the car. **Children should stay behind the yellow line in the carpark area.** Please take a moment to read the Carpark Guidelines towards the end of this newsletter.

The other area of concern is with the appropriate use of social media involving the school; namely class Facebook pages or any other Facebook page to do with St Kieran's. Facebook, and other similar apps, is a convenient tool to send messages, reminders or links to other important sites. **Facebook is not a forum to discuss concerns about children, teachers or other parents.** Any such concerns should be raised respectfully with the appropriate people. A helpful acronym to use before sending a message in a public forum is T.H.I.N.K! Is the post **T** rue, **H**elpful, **I** nspiring, **N**ecessary and **K**ind?

Grandparents Morning

I would appreciate your cooperation with both of these concerns to ensure that we maintain the **safety** and **respect** of everybody within our school community.

Finally, today you will receive a letter from the Director of Schools, Mr Peter Hamill, detailing school fees for the next couple of years. Once again, if you have any concerns or questions regarding fees, please contact the school office to make an appointment to discuss them with me.

God bless

Michael Gallagher
Principal

Religious Education

Grandparents Day

Grandparents Day was a huge success thanks to the work of many. Year 2 teachers, Mrs Sullivan and Mrs Clifford, planned the Liturgy and practised the students - thank you ladies. Our Grandparent in residence, Mrs Rose, spoke to her peers with only the wisdom of being a Grandparent can bring; thank you Mrs Rose. Signora Moorehouse coached the Italian Song Club, who added another gem to our celebration.

Year 2 children shared their thoughts and prayers about their Grandparents through the eyes of love. The students were reverent and polished when leading the school community in prayer. Thank you children.

We wish to extend a special thank you to the parents who worked quietly behind the scenes preparing morning tea for our Grandparents. Mrs Alicia Potega and her band of parents prepared the hall, set up the morning tea and cleaned up when everyone had left. A real team effort, thank you one and all.

Woolworths Earn & Learn

We are excited to be taking part in the 2017 Woolworths Earn & Learn program.

During the previous campaign, we were able to purchase some great resources with the points we earned, thanks to you.

From now until 19 September 2017, you can collect stickers at Woolworths that go towards Earn & Learn points. For every \$10 you spend at Woolworths (excluding the purchase of tobacco, liquor and gift cards), you will receive a sticker. These stickers can then be given to your children to collect on a special sticker card. Once it is completed, they can simply bring it back here to school or you can drop them into your local **St Kieran's Woolworths Collection** box.

The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and english resources, art & crafts materials and much, much more!

We are grateful for your support and look forward to a successful program. If you have any questions, please ask at School.

Qkr! Tips

Last week Qkr launched a lot of new and improved functionality within Qkr. Any queries on new functionality can often be answered by signing up for Qkr's online forum (<https://groups.google.com/forum/#!/forum/qkrforum>).

Instructions for download can be found on the school [website](#) .

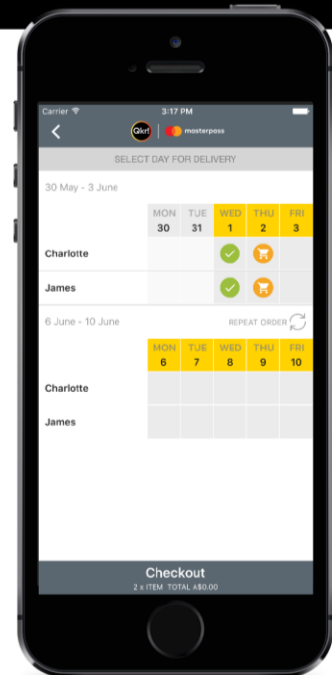

Q. How do I use the calendar display when placing food orders?

A. For ease of use, you are presented with a two week calendar view when placing food orders. The calendar makes it easy for you to place orders for a particular child on a particular day.

To place a food order:

1. Open Qkr! and tap on your canteen menu.
2. On the calendar view tap the date next to your child for which you want to place the order. If you have registered more than one child, the calendar view enables you to place individual orders for each child for different dates. If a date is greyed out you cannot place orders for that date, either because the canteen is not open, or because it is past the cut-off time for that day's orders. Check with your school to confirm the cut-off time.
3. Browse the menu, select items, and add them to your cart.
4. If you are ordering for more than one child you can switch between children by tapping your child's name at the top of the screen.
5. When you are ready to pay, tap 'Checkout' at the bottom of the screen and complete the payment steps.

St Kieran's Carpark Guidelines

Please ensure that you share these with any friends/family that may drop off or pick up your children.

C – Can you please ensure that you drive right down to the very **end** of the wall where we drop off/pick up the children. Even if there is no one behind you, please go the very end to ensure that we maximize this space. Please **indicate** which **direction** you then intend to depart the car park from by indicating Right to King St and Left to Condamine St.

A - **Accept that anyone who parks** in the Parish Car Park at pick up time during 'drive through' should wait until all cars have cleared from the queue. Letting people out of the car spaces slows down the queue considerably. We ask you to follow these guidelines to ensure that we can clear cars off King St as quickly as possible.

R - **Raise** your **name signs** so that the teachers can see your name clearly. This then enables them to call the children to the pick-up line quicker. Teachers cannot identify parents through tinted windscreens. Teachers cannot read handwritten signs at a distance. The office will organise a new sign if required.

P - **Please always stay in your car** during drop off and pick up times. If your child/children are not able to leave you in a 'kiss and drop' situation, please walk them in.

A – Avoid the rush! Remember that you can pick up your children up to 3.10pm. Take some extra time and you'll have a smoother pick up.
Are you driving down to end of the wall – where the stop sign is?

R- **Respect** all other drivers at all times and make sure that we aren't parking over our **neighbour's** driveways in Gordon and King St. It is best practice for the safety of all children not to pull into driveways in Gordon St to turn around. Please drive to the top of the cul de sac to turn around.

K – Know that doing these very simple steps will help make it work more efficiently.
