## Principal

### Dear Families,

We have come to the end of term, the end of the first semester of learning; Reports have been issues and parent teacher interviews completed. Like many families, the teaching staff is also very much looking forward to their time of rest and recuperation after what has been a full term and one of much sickness within the school community. It is now time for the winter break!

Again, thank you parent community for your support and your engagement with your child/ren's learning throughout the semester. I especially wish to thank the parents who have assisted the school with many of the sporting activities (eg. Gala Days this week) and those of our parents who continue to work with the school to ensure the opportunities provided at a school level are supported.

Over the break there will be some maintenance work done in the administration area. I am very much looking forward to settling back in a new environment; fresh paint and new carpets. I want to acknowledge the support our Kevin is providing during the break in assisting with entry to the variety of tradesmen coming in during this time. Thank you Kevin!

Wishing all families safe and restful holiday.

**School resumes on Monday 13<sup>th</sup> July.**

God bless,

Terri Paterson  
Principal

## Assistant Principal

This term has seen a continuation of our Co Teaching program. Since Term 1 I have worked with students and teachers in Grade 2, 3, 4 and 5. The focus for our program has been on the use of multi layered, open ended problem solving tasks in Maths. It has opened up great discussions about how children learn to effectively develop and utilise their mathematical skills.

When working on mathematical investigations, **Communicating** is an important area of focus:

- Students must be given opportunities to explain their thinking. They must justify the reasons they thought, acted, said or found a solution in a particular way. From this then hypotheses are formed, based on reasons and logical thinking.

When working on mathematical investigations the development of **Conceptual Understanding** is an important area of focus:

- If students are to have ownership of their mathematics learning, they need to have conceptual understanding of the ideas they meet. Conceptual understanding enables a student to apply and adapt an idea flexibly to new situations. It is much more than just following learned procedures in familiar situations.

This means that as teachers we **must** provide children with opportunities to work on mathematical investigations that develop skills to “work mathematically”. It is important to value the **reasons** for answers not just the answers, as children can often give a correct answer yet they are unable to explain how they got to that. Equally, it is important to ask children to explain their answers whether they are correct or incorrect as this encourages them to articulate their thinking. Next term, I will be co teaching in Years 1 and 6!

We've come to the end of a very busy term! One that began with “wild weather” and is ending with lots of coughs and flu! I hope you all have a very restful break. Let's keep our fingers crossed for some great weather!

*Marisa Bombardieri*

### Celebrating First Eucharist

Congratulations to the children celebrated their First Holy Communion last weekend. Thank you and Congratulations to the Parish Sacramental Team, Family Leaders and coordinators and indeed to all families who have lead the children in faith journey.

I enclose a letter we received from a Grandparent following her Granddaughters Frist Holy Communion which pays a high compliment to all those involved in the Parish Sacramental Program. Thank you everyone.

*Dear Mrs Paterson and Mrs Wetzlar,  
I just wanted both of you to know what an absolutely wonderful First Communion Mass Brian and I attended at St Kieran's on Sunday. I, for one, was filled with such joy, happiness and love - it was nearly overwhelming and of course gave me tears in my eyes.*

*Zoe, who is growing into the most beautiful girl, and all the other children who celebrated their First Communion, did so with such grace, poise and maturity, it was just beautiful. The choir added another level to one of the most beautiful times I have spent in the church at St Kieran's.*

*I thank you from the bottom of my heart for making Sunday so rewarding and happy for Brian and I and for teaching our children in the manner in which you do.*

*God bless and take care  
Kaye*

Parents are reminded that First Communion Photos are available at <http://darwinmoralesphotography.com.au/first-communion>. The last day to order prints/images is **30 June**.

**“Come to the Table”** First Holy Communion celebration is scheduled for the **9.30am Mass on Sunday 19 July**. Year 3 will be organising this very special Mass and family celebration with further details to be confirmed next term.

### Social Justice for NEPAL.

Well done and congratulations to the students from Year 5 who participated in the Social Justice Action Plan. The children gave up their lunch time to clean desks and shine shoes with all the money raised, over \$200, going to CARTITAS –Nepal appeal. Thank you all the students who gave a gold coin donation to have their desk washed or shoes shined.

Wishing everyone a peaceful holiday,

*Mrs Kerrie Wetzlar, Religious Education Coordinator.*

## School News

### Student Validation Forms

There are still many families who have not yet returned the student validation forms sent home a few weeks ago. These must be signed and returned to the school office immediately. It is important that the school has up to date

details for your family. Even if there are no changes to be made we need to receive the signed form. There is no need to fill in dates of immunisation, employers names nor the addresses of contacts other than parents or guardians.

### School Photos – Monday 20 July

Envelopes for school photos will go home Monday 13 July, the first day back in Term 3 and are to be completed and returned to the class teacher by Friday 17 July. Here are some helpful points to remember:

- Don't seal envelopes inside each other. You can pay for all children in one envelope however each child needs to have their own envelope on photo day.
  - Pre-named Family envelopes will be sent home however blank family envelopes are available at school office upon request
  - Please enclose **correct** money as no change is given. Cash, cheques and money orders only on the day
  - Credit card payments can be made online (please follow instructions on your envelope) or by calling MSP office staff prior to the day. Your child will still need to take their envelope with them on the day. For any enquiries please contact MSP Photography at [Sydney@msp.co.au](mailto:Sydney@msp.co.au) or phone 9499 6555
- Late orders must be made directly to MSP
  - Orders will not be processed unless payment is received
  - Photos will be delivered approximately 4 weeks after photo day

### Italian Masterchef Comes to St Kieran's

On Wednesday 23 June, **Masterchef** came to St Kieran's during Italian classes. Students in Stage 3 were given the recipe in Italian for **Insalata Caprese**. Teams were asked to prepare the ingredients for the salad and then plate it up. They worked in groups of 4 or 5 and the results were quite amazing as you can see below. Year 6 girls had a special guest judge, Ms Katy Tomasums, who had returned from the Northern Territory to visit her former class.

### Uniform Shop Change of Day

## **St Kieran's Family Fun Day Saturday 31 October 2015 from 10am – 4pm**

Family Fun Day is held every 2 years and is our major fundraiser, helping to provide essential learning equipment and facilities for our kids.

We know how busy family life is and so we wanted to give everyone in the school community an idea of where and when we will be reaching out to you for help for Family Fun Day. Whatever time you or your extended family can give before or on the day will be hugely appreciated. Grandparents, aunts, uncles, older siblings are all invited to get involved if they can. This is a fantastic family event and a way to get to know other people in our friendly community.

Over the next few months, the Family Fun Day organisers will be asking for help with the following:

### Class stalls

Your class parents will be in contact with you about this – a team will be needed for each year group to prepare the "stock" for the stall and a roster will be set up of hourly "shifts" to run the stall on the day.

- |  |   |
|--|---|
| • Kindy – Chocolate Wheel  | • Yr4 – New Toys and 2 <sup>nd</sup> hand books |
| • Yr 1 – Cake Stall and Alfresco Café                                  | • Yr 5 – Tombola                                |
| • Yr 2 – Adopt-a-Bear  | • Yr 6 – Wine Stall                             |
| • Yr 3 – Designer Vintage and 2 <sup>nd</sup> hand clothes/accessories |   |

### Donations

The school community will be asked to give items that can be sold at Family Fun Day – we have a schedule in place for this so you won't be asked for everything at once. You will be given more details but here's an overview of what we will be requesting over the coming months:

- Chocolate wheel – prize items
- Tombola jars – contents for boys and girls
- Cakes
- Bottles of wine
- Pre-loved teddy bears in as new condition (19<sup>th</sup> June)
- Vintage clothing and accessories in as new condition
- Pre-loved books for children and adults in as new condition

### Other activities at Family Fun Day

Our canteen will have a fantastic menu on offer and will require volunteers to help prepare and serve the orders. Our Dads' committee will be looking for Dads/ other family members to run the BBQ.
- **Set up and clean up**  
Our wonderful friends at PartyHire will be providing most of our equipment for the day but we will need a team to set up Friday afternoon/ early Saturday morning.

Volunteers will be needed to sell tickets on the day and to help supervise entry/ exit to rides.
- **Commercial vendors and sponsorship**  
We have some great opportunities for local businesses:

# Rewarding regular savers with astronomical prizes.

Dear Principal,

I'm excited to announce we're running a stellar School Banking competition in Term 3. There's news that a Prize Portal from another dimension has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win astronomical prizes.

## More prizes and more chances to win

To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3. They will then automatically be entered into the competition for a chance to win one of hundreds of prizes. Students can also complete a Money Mission at [commbank.com.au/prizeportal](http://commbank.com.au/prizeportal) to double their chance of winning a prize. Please note, students can complete the Money Mission at any time, but are required to make three deposits by the end of Term 3 to double their chance of winning.

## Win books for your school library

We're also giving schools participating in the School Banking program a chance to win one of 75 sets of children's books for their school library, valued at \$200. To be in the running, one of your students must simply make three or more School Banking deposits during Term 3, and your school will automatically be entered into the draw.

If you have any questions, simply contact your dedicated School Banking Specialist or call the School Banking Helpline on 1800 674 496 Monday to Friday, 9:00am to 4:00pm (Sydney time).

Thank you for your ongoing support of the School Banking program and we look forward to a successful mission with your students.

Yours sincerely,

Veronica Howarth
